Certification

edX Verified Certificate for Climate Change: Carbon Capture and Storage

[Certificate Link](#)
Certification: CCSx: Climate Change – Carbon Capture and Storage
EdinburghX | University of Edinburgh | edX
Successfully completed an in-depth course on Carbon Capture and Storage (CCS) as a crucial solution for reducing CO2 emissions. Explored geological storage techniques, CCS policy frameworks, and its role in sustainable energy systems. Gained insights into cutting-edge research and real-world applications of CCS in mitigating climate change, enhancing knowledge of sustainability and environmental impact reduction.

edX Verified Certificate for Sustainable Development: The Post-Capitalist Order

[Certificate Link](#)
PCO001: Sustainable Development – The Post-Capitalist Order
SDG AcademyX | edX | Verified Certificate
Issued: January 17, 2025

- Successfully completed an in-depth course on sustainable development and post-capitalist economic models.
- Gained insights into global economic policies, social justice frameworks, and environmental sustainability.
- Explored innovative solutions to address climate change, inequality, and economic reform.
- Developed a comprehensive understanding of sustainable business practices and their role in shaping a more equitable future.
- Led by Professor Jeffrey Sachs from Columbia University, a global expert in sustainable development and economic policy.

This course enhanced my knowledge of sustainability strategies and inspired me to integrate sustainable practices into AI, business, and technology solutions.

Deep Dive into R Programming Workshop :- Universal Ai Univerisity

Certificate: Deep Dive into R Programming Workshop
Institution: Universal AI University
Date: January 2-3, 2025

- Successfully participated in an intensive workshop on R programming.
- Gained hands-on experience in data analysis, statistical computing, and visualization using R.
- Developed a foundational understanding of data manipulation, machine learning applications, and R libraries.

This workshop strengthened my data science and AI/ML skill set, enhancing my ability to work with large datasets and statistical models.

SMART PROJECT

Light of Life Trust – Smart Programme (Education) | Team Leader

Universal AI University, Kushiwali, Karjat | Nov 26 – Dec 3, 2024

- Led a team in the Smart Programme (Education) initiative organized by Light of Life Trust.
- Contributed to educational outreach and community development, focusing on empowering underprivileged students.
- Coordinated activities, facilitated learning sessions, and promoted interactive engagement among participants.
- Developed leadership, teamwork, and problem-solving skills while working towards social impact and education reform.

This experience enhanced my ability to drive educational initiatives and reinforced my passion for social responsibility and leadership. 🌟

Deloitte Australia - Data Analytics Job Simulation

[Certificate Link](#)
Deloitte Australia Data Analytics Job Simulation on Forage - March 2025

- Completed a Deloitte job simulation involving data analysis and forensic technology
- Created a data dashboard using Tableau
- Used Excel to classify data and draw business conclusions

Skills

- Graphic designer
 - Video editing
 - Autodesk Tinkercad
 - 3D Designer
 - Critical Thinking
- Digital Marketing
 - HTML & CSS
 - Frontend Developer

Achievements

Academic & AI/ML Achievements

- Completed CCSx: Climate Change - Carbon Capture and Storage from EdinburghX (edX).
- Earned a Verified Certificate in Sustainable Development from SDG AcademyX (edX).
- Pursuing a B.Tech in AI & ML with a focus on innovating with data and algorithms.
- Developed AI-driven models for [mention any specific projects, like predictive analytics or deep learning models].

Graphic Design & Marketing

- Designed and implemented branding materials and visual content for Sparge Chem Pvt. Ltd., enhancing the company's LinkedIn presence and engagement.
- Created marketing assets, promotional materials, and corporate presentations to strengthen brand identity.
